Advocated in the Council as a measure carrying no appropriation and as contemplating the addition of only two or three new men to the Gas Department forces, the gas-fixture ordinance, which became law with the signature of the Mayor on April 17, promises now to place a new \$12,000 annual fixed charge on the city treasury.

Superintendent Knowles, of the Gas Department, informed the Administrative Board yesterday that ten addition men—four practical gas-fitters and six service-pipe men on helpers—will have to be added to the department's forces in order to reasonable the appointment of three inspectors of gas at \$4 a day.

In order to provide foor the pay during balance of this year of the additional ten men asked for by Mr. Knowles, a \$6,000 special appropriation will be necessary. Upon the recommendation of Superintendent Knowles, the board passed a resolution yesterday asking the Council, through the Mayor, to appropriate for this purpose the sum of \$6,000, or as much thereof as may be necessary, since the funds to the credit of the Gas Work's payroll are not sufficient to pay the wages of the additional ten funds to the credit of the Gas Work's payroll are not sufficient to pay the wages of the additional ten funds to the credit of the Gas Work's payroll are not sufficient to pay the wages of the additional ten funds to the credit of the Gas Work's payroll are not sufficient to pay the wages of the additional ten funds to the credit of the Gas Work's payroll are not sufficient to pay the wages of the additional ten funds to the credit of the Gas Work's payroll are not sufficient to pay the wages of the additional ten funds to the credit of the Gas Work's payroll are not sufficient to pay the wages of the additional ten funds to the credit of the Gas Work's payroll are not sufficient to pay the wages of the additional ten funds to the credit of the Gas Work's payroll are not sufficient to pay the wages of the additional ten funds to the credit of the Gas Work's payroll are not sufficient to pay the wages of t Gas Work's payroll are not sufficient to pay the wages of the additional

USE RESINOL

Pimples and blackheads disappear, unsightly complexions become clean, clear and velvety, and hair health and beauty are promoted by the regular use of Resinol Soap and an occasional application of Resinol Ointment. These soothing, healing preparations do their work easily, quickly and at little cost, when even the most expensive cosmetics and complicated beauty treatments fall. Physicians have prescribed Resinol for nineteen years, and every druggist Physicians have prescribed Resinol for nineteen years, and every druggist sells Resinol Soap (25c), and Resinol Ointment (50c and \$1.00). Avoid "imitations" or "substitutes," which a few unscrupious dealers offer; they are usually of little value, and may even be positively harmful. For free trial, write to Dept. 11-R, Resinol, Baltimore.—Advt.
